NOTE 1: Senior citizens taking any class without paying tuition will be registered on a space available basis with priority given to tuition-paying students. NOTE 2: For verification purposes, the college reserves the option of reviewing the Virginia tax form on which the eligibility is based. A DSLCC employee will verify income and initial below. The tax form will be returned to the student and will not be copied in any way. If the senior citizen filed jointly with another person, the total income on the form is considered the individual income for tax, and tuition, purposes.

NOTE 3: Senior citizens will be responsible for the payment of any fees associated with the course, such as laboratory fees.
