Accessibility Statement

August 20, 2018

The Dabney S. Lancaster Community College is committed to making its Information and Communication Technologies (ICT) accessible to individuals with disabilities by meeting or exceeding the requirements of Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d). Section 508 requires agencies, during the procurement, development, maintenance, or use phases of ICT, to ensure that individuals with disabilities have access to and use of ICT information and data comparable to the access and use afforded to individuals without disabilities (i.e., “ICT accessibility”), unless an undue burden would be imposed on the agency. The Section 508 standards are the technical requirements and criteria used to measure ICT accessibility conformance within this law. Additional information on Section 508 can be found at the following website - <https://www.section508.gov/manage/laws-and-policies>.

If you have comments and/or questions related to DSLCCs Section 508 program or if you have concerns related to the Section 508 ICT accessibility of any content or the user interface on this website, please e-mail helpdesk@dslcc.edu.
