___ Timeframe - If your appeal is based on exceeding the maximum timeframe for receiving financial aid at DSLCC (150% of your program length), address the need to enroll in a greater number of credit hours than is normally associated with the completion of the degree requirements. Please indicate if you are a transfer student or have changed majors recently.

Below please indicate which situation best applies to the academic difficulty you have experienced.

☐ Medical: If a medical problem contributed to the failure to maintain satisfactory academic progress, attach documentation from a medical professional from whom you have received advice or treatment.

☐ Death/Illness: If the death/illness of a family member or close friend contributed to the lack of academic progress, please attach appropriate copies of medical records, death certificate, obituary, etc.

☐ Other Circumstances: Please clearly state the circumstance (not listed above) and provide appropriate documentation.

I understand that decisions on appeals are processed on a case-by-case basis. If approved, I will be expected to make academic progress in the semester for which my appeal has been approved. I have read the DSLCC SAP Policy available at the DSLCC financial aid web site. I understand the completion of this application does not constitute an approval of my appeal. I will be notified of the committee’s decision by email at my VCCS student email address and/or by mail at the mailing address listed with the Office of Admissions and Records.
